

ELYRIA LITTLE LEAGUE BASEBALL & SOFTBALL
P.O. Box 1984, Elyria, Ohio 44036

Elyria Little League is a non-profit organization that is managed and operated entirely by volunteers. Without the time and effort of our compassionate volunteers, we would not be able to provide a fun and safe experience for our players, families, and friends.

We are very grateful for those who give their time and we always have opportunities available for new volunteers. We appreciate any amount of time or skill can be donated to help our organization better serve the children of our community, whether it be 30 minutes, 1 hour, 2 hours, or more.

The tasks in which we continually look for assistance include:

Spring Field and Park Clean-up

Concession Stand Workers

Game Day Field Preparations

Game Umpires

If you or anyone you know would like to donate any portion of time, please complete the Little League Volunteer Form [2018 Volunteer Form.pdf](#) and email it to elyrialittleleague@gmail.com. You may also contact myself or any Elyria Little League Board Member for additional information.

Thank you.
